

Tamburina

Tamburina is a stone villa on three levels perfect for “green” stays and ideal for hosting up to ten guests. The villa has large living room overlooking the evocative landscape of the gullies, which includes all the common areas; the kitchen fully equipped for every occasion, spacious living areas with sofas and large TV as well as areas with comfortable chaise lounges reserved for relaxation and reading.

Upstairs, five elegant double rooms with a private bathroom invite guests to have a relaxing time. Each room enjoys a suggestive view of the landscape. Two rooms can be connected thus ensuring the comfort required by families with children. The top floor has spaces equipped for work or meditation; or can be used as a playing area without compromising other activities in the house. On the ground floor, there is also a small office with a monitor and Wi-Fi connection, in case of business needs or required privacy.

At Tamburina guests can enjoy warm and illuminated night baths in a large double infinity edge swimming pool. The pool area is equipped with outdoor furniture, sun loungers and umbrellas. The beautiful outdoor pergola offers the possibility of dining outdoors. The car park is reserved and easily accessible from the main road by entering the fully fenced area of the garden to ensure safety and comfort.
